## FOR IMMEDIATE RELEASE

### ALTON INTERCHANGE NOW OPEN

**Eureka** – Caltrans announced today that the Alton Interchange is now open. Route 36, West Drake Hill Road, Hansen Lane, and Sandy Prairie Road are now accessible via the new interchange.

Later in August, the Northbound Route 101/Drake Hill Road intersection will be closed permanently. East Drake Hill Road will then be accessible from the Kenmar Interchange. Caltrans anticipates that this project will be completed near Labor Day.
